YOUR BUSINESS AT A GLANCE

Your ALIGNment starts with clarity

We work online in ABoS to review your business, identify strengths and gaps, and agree where to focus. Your dashboard connects the assessment to your priorities and 90 Day Plan.

ABoS Percentage Score Achieved

Your ABoS dashboard tracks your scores in Mastery, Marketing, Systems, Team, Scale, and Freedom. Areas marked as Foundation or Momentum need action in your 90 Day Plan.
