

# TeamALIGN

**Stronger connections | Shared direction**

**How strong is the bond in your Teams?**

## **Make space for the conversations that help people work better together**

Communication gaps, different working styles and unclear goals can hold a business back. TeamALIGN creates a facilitated space to hear your Teams' perspectives and identify what needs to improve.

For Business Owners, Directors and Team Leaders who are ready to listen. Available as a standalone workshop without ongoing coaching.

**Facilitated by Marlene Powell**
